

**Deadline is
May 14th, 2018!**

How ReLeaf works

- 1) Choose your favorite tree collections from the reverse side. You may purchase as many as you like but make sure you have enough space! Not sure what trees to choose or where to plant them? Helpful links are available on Trees Winnipeg's website — www.treeswinnipeg.org. Fill out your contact information and send your completed form and payment information to *Trees Winnipeg* — **the deadline is May 14th!**
- 2) Once your registration and payment are received, *Trees Winnipeg* will call or email you with an invitation to choose your preferred tree planting workshop session. You must attend a workshop to receive your tree package. Workshop will run for a week in the middle of May.
- 3) At your tree planting workshop, you'll learn everything you need to know about how to plant and care for your trees from Trees Winnipeg's qualified staff. At the end of the workshop, you'll receive your tree package and you can start planting!
- 4) After the workshops, Trees Winnipeg staff will visit a randomly-selected list of properties to survey your new trees — **to help us evaluate the success of the ReLeaf program and identify improvements for next year.**
