Deadline is May 1, 2020!

How ReLeaf works

1. Choose your favourite tree collection(s). You're welcome to purchase multiple tree collections — just make sure you have enough space! Send your completed form to Trees Winnipeg via mail or email —**Deadline is May 1st, 2020!**

2. Once your sign-up form and payment are received, Trees Winnipeg will send you an invitation to choose your preferred tree planting workshop session. Workshops will be held on June 6, 2020 at Kildonan park.

3. At your tree planting workshop, you'll learn everything you need to know about how to plant and care for your trees from Trees Winnipeg's qualified staff. After the workshop, you get to take your tree package home and start planting!

4. In 2023, after your trees have time to establish, we will come for a quick visit to survey your trees. The surveys will help us evaluate the success of the program and allow us to improve the program for the future.
