How ReLeaf works

1. Choose your favourite tree collection(s). You're welcome to purchase multiple tree collections — just make sure you have enough space! Send your completed form to Trees Winnipeg via mail or email — **Deadline is September 11, 2020!**
2. Once your registration and payment are received, Trees Winnipeg will send an email confirmation, link to the Tree Planting 101 video, and detailed instruction for the tree distribution.
3. On your behalf, Trees Winnipeg's staff will register your tree as part of the Million Tree Challenge. Once your trees are planted and have established we will come for a quick visit to survey your trees. Surveys will be held in 2023. **The surveys will help us evaluate the success of the program and allow us to improve the program for the future.**
